The atmosphere at your dental office is warm and comfortable. All of your employees follow your example of true professionalism mixed with compassion and understanding of my fear of going to the dentist. With every visit I find myself being less and less nervous and apprehensive, and for that I am very grateful. I hope all of you enjoy a blessed Christmas season. Anne Armstrong

★★★★★ *Took me by surprise* — **Alyssa R.** (Patient since 2017)

For me the hardest part of going to the dentist in the past was dealing with the receptionists. Not the case here the woman that work here are so nice and so helpful. They went above and beyond to help figure out my insurance, and when it turned out I didn't have any I was super nervous I wouldn't be able to afford the appointment. But yet again they surprised me and gave me a price I could afford.. Dr. Timian was super nice and explained everything and why he had to do it. He also kept making sure I was ok.

I would recommend his dental office to everyone.

★★★★★ *Best Dental Practice!!!!* — **Gary K.** (Patient since 2015)
Dr Timian and his staff are top notch. I transferred my dental care to them last year and have never been happier with a dental office. I had an emergency two days ago and his office worked me in as soon as I called. They explained I might have to wait to be seen once in the office, but they got me in and took excellent care of me. I could not be happier.
